My Dear Fellow Rotarians,

I extend a very warm welcome to the beginning of a new Rotary year.

This year our club proudly enters its **22nd year** of service. We stand today on the strong foundation built by our past presidents, charter members and every Rotarian who has contributed to this wonderful journey.

It is very humbling and I sincerely thank each one of you for the trust and confidence you have placed in me.

This year, our Rotary International President Olayinka Hakeem Babalola has given us the inspiring message: **"Create Lasting Impact."** This message reminds us that Rotary is all about the positive difference we make in someone's life.

Each member of this club is valuable. Whether you are a senior Rotarian with years of experience or a newer member with fresh ideas, your presence matters.

I encourage all of us to work together with respect and teamwork. Let us support one another, celebrate one another, and inspire one another. Let us continue the wonderful legacy of our club.

As President, I promise to lead with sincerity, openness, and dedication. But this journey cannot be mine alone. It will only become successful when each one of us walks together with one vision and one heart. I may not have all the answers, but I do know that when Rotarians come together with good intentions, amazing things happen !

Together, let us "Create Lasting Impact" — through our service, our compassion, and our unity.

I look forward to a wonderful and memorable Rotary year ahead.

Yours in rotary
